Organized by Agorastore (acting as agent)

As part of the auction scheduled for November 2025, this form is intended to collect non-binding expressions of interest from operators interested in the BB 27000 locomotives from the Fret SNCF fleet.

The purpose of this collection is to prepare for a digital, public, and non-discriminatory auction conducted in a transparent framework. No bilateral negotiations will take place.

The information collected will be used exclusively to:

These details will in no way alter the general terms and conditions of the auction, which will be set identically for all bidders.

All sale conditions (starting price, timeline, payment terms) will be determined transparently and uniformly for all bidders through the online auction scheduled for November 2025.
